Panel Housing Coops and Urban Transformation: A strategy for Urban Transformation? Housing Cooperatives in England, Switzerland and Germany

Session Chair: **Barbara König, Marleen Thürling**,
organized by *Genossenschaftsforum e.V., Berlin*

In the session we will present and discuss the development and current situation of housing cooperatives in three different European countries, facing similar challenges on sharpening real estate markets. What are the possibilities and issues for housing cooperatives in this situation? Referring to their origins and principles, to what extent can the different strategies of cooperatives to secure affordable housing be an alternative to the polarized market forces? With three experts in the field of Housing Markets, Cooperatives and Urban Transformation we will explore the current potential and limits of housing cooperatives, as well as the role of supporting policies for further development.
